

Generally about our Tourinform office

In the very central of the town, on the Main Square of Vác you can find our office - easy to find, the opening hours are flexible, suit always to the tourist season. Our experts are always ready to help you in English and in German as well. You can be informed about time tables, place of the different sport and cultural events in Hungary, local sights, opening hours. One of our most popular services is selling tickets for the local programs and for the theaters, concerts and sport events of Budapest.
