Recreation of body and soul provides one of the prides of our resort. We offer a wide range of sporting activities. The 25-meter, open-air heated pool is an all time favorite of our guests.

Next to it the children`s pool, two tennis courts, mountain bike tracks, ping-pong, hunting grounds a real Scandinavian sauna complete with a cooling pool, enjoyable massage that helps you cease to think of everyday stress and a solarium. Walking tours (well-marked pathways) in the extensive forest surrounding the hotel, forest picnic, an 8 km long driveway starting at the hotel and completely blocked form traffic offers an exquisite possibility for roller-skate-fans. Discover the undisturbed natural environment with a horse-carriage during summer as well as with horse-sledge in Wintertime. Lake fishing (only 9km from the hotel) and hunting are available for the more adventurous. The Börzsöny railway runs again after ten years break. The sleepers and the rails were all completely renovated the carriages and the stations have been renewed. The railway goes from Nagybörzsöny to Nagyirtáspuszta, the journey takes about 40 minutes.

The Szent Orbán Erdei Wellness Hotel**** is admirably convenient for arranging trainings, conferences, entertainments, feasts, banquets, marriages and other clambakes. For organizing conferences, events or teambuilding trainings our hotel has four rooms with windows and has seating capacities up to 140 people. Technical devices, including flip charts, projectors, televisions, dvd, wireless microphone and VCRs etc. All the meeting rooms have equipped with Wi-Fi internet.
